

Questioz Researcher Profile

Saurav Kharb

(saurav.kharb@hotmail.com)

Saurav Kharb is a 12th grade student of GD Goenka Public School, Paschim Vihar. A young enthusiast about research, he has been involved in many research projects at different universities across New Delhi. He has worked under the guidance of IIT Delhi Assistech Lab to build on this research. His areas of interest include Cyber Security, Web Development, and bio-electrical engineering. He spent six years at the prestigious Lawrence School Sanawar, completing 10th grade from there.
